

PLANTS TO ATTRACT HUMMINGBIRDS

Wednesday, May 10, 10:00AM
Kimberling Area Library Community Room
45 Kimberling Blvd, Kimberling City
417 739-2525, kalib.org

The ruby-throated hummingbird is a summer resident in Missouri. If you want to entice this beauty to your yard, specific plants can be the calling-card. Join MG Kathryn Kufahl in the discussion of flowering annuals and perennials that will do the job.

Everyone is welcome for this free event, no registration required. Come and join the discussion.
